Dear Mr. Andres Montalvo,

In the framework of the continued contribution of the Arab Regional Consultative Process on Migration and Refugee Affairs (ARCP) to the Global Forum on Migration and Development (GFMD) and in preparation for the Twelfth GFMD to be held in Ecuador in November 2019, the ARCP held its Fifth Meeting at the headquarters of the General Secretariat of the League of Arab States in April 2019, the Arab position towards the themes of the Twelfth GFMD was discussed during the second day of the meeting, and Member States agreed on a document titled: "ARCP Contribution to the Twelfth Global Forum on Migration and Development (GFMD)".

We are pleased to attach the abovementioned document (in Arabic and English) for your kind reference. We would highly appreciate if you could publish this document on the GFMD website as the Arab Regional Consultative Process on Migration and Refugee Affairs (ARCP) Contribution to the GFMD (Ecuador 2019).

Please accept assurances of my highest consideration.
